School Sports Premium Funding 2016/2017

Our identified priorities for the Sports Premium for 2016/17 at St. Paulinus are:

- To organise varied out of school sporting activities and after school clubs to raise the profile of sports and increase pupil participation.
- Increase pupil participation in extra-curricular sports clubs.
- Continue to develop the quality of teaching of the PE curriculum for all teachers.
- Utilize the school's own teaching of PE as a model of good practice.
- Increase participation and success in intra and inter-school competition through releasing staff and taking part in local sporting partnerships/competitions (including football, cricket, tag rugby, cross country and netball).
- Offer opportunities for targeted children to be engaged in Sporting Activities.

	Element	Amount	Outcome/Impact
	Sports premium	£9775	
1	P.E. Coach (Leapfrog) training two afternoons a week working across upper key stage 2.	£7000	Working alongside teachers delivering P.E. and developing subject knowledge; allowing pupils to have specialist input from a PE professional during PE sessions. This has resulted in increased pupil participation during P.E. lessons, a more varied curriculum of activities delivered and pupils taking a more active lead in delivering warm ups and being more confident in doing this.
2	P.E. Coach (Leapfrog) providing after school clubs two evenings a week.		Every pupil has the opportunity to take part in a free sports club during the year. A good number of pupils have chosen to access this during the year, many of which do not access sporting clubs outside of school.
3	Involvement in SJF sports partnership School Games. Staff CPD and access to specialist coaches.	£2000	Allowing every pupil the opportunity to represent the school in the School games at any level and provide the opportunity for more able pupils to access Kirklees and West Yorkshire level competition which was achieved for the second year running in the cross country event. Access to Qualified Coaches to deliver sessions to pupils during curriculum time team teaching with members of staff. FA currently working alongside year 1 and year 3 with staff completing FA skills course to enhance quality of delivery of activities and become more confident in doing so.
4	Link with sporting clubs	£500	Huddersfield Giants to work alongside years 3 and 4 (to repeat success of working with year 6 last year) providing access to weekly rugby training (for the first time) through an after school club. T.a.a.r.g.e.t. Archery delivered a 5 week session of 'Battle Archery' to year 6 culminating in level 2 competition enabling pupils who would not normally enter a sporting competition to represent their school.

	Element	Amount	Outcome/Impact
5	Travel to sporting events	£280	Coach travel to allow year 2 pupils to take part in mini mission active events at Saint John Fisher and year 4 to take part in mission active (Leeds Road Playing Fields, Huddersfield) as part of health week.
6	Movement Group		Help identified pupils develop gross and fine motor skills on a daily basis.
7	After school clubs run 4 nights a week		Variety of clubs run throughout the year for all pupils to access. Numerous opportunities for all pupils to enhance their sporting skills and build confidence in a safe environment where every pupil feels valued. E.g Basketball, Rugby, Multi-sports, Street Dance, Cheerleading, Archery, Cricket and Football.

Possible uses for the funding might include:

- Supporting and engaging the least active pupils
- Paying for professional development opportunities for teachers and leaders of PE and sport
- Buying quality assured professional development modules or materials for PE and sport
- Providing places for pupils on after school sports clubs and holiday clubs
- Pooling additional funding to improve outdoor facilities.
- Promote healthy eating (alongside food technology) & lifestyle.

Events entered so far this year.

Level 1	Level 2	Kirklees	Level 3
