Dear Parents / Carers

Year 5

Your child has been sent home with two booklets: one for Maths and another one for Spelling / Grammar.

These are the new homework booklets. Each week, your child will need to complete ONE page in the Maths booklet (the book is divided in sections and tests), ie. your child will complete Section 1 Test 1, and the following week Section 1 Test 2, etc.

For the Spelling / Grammar booklet, it is exactly the same where your child should complete ONE page.

These booklets are designed to last all year with one section per week.

The Maths booklet does not follow the topics covered in class but have been designed to support your child with basic skills reinforcing the four operations and their applications in various forms.

We hope that you will support us in helping your child making sure that both booklets are completed weekly and returned in due course to be marked and returned.

We thank you in advance for your continuous help and support.

Yours sincerely

Mrs. Joyce & Mrs. Scholey
