Dear Parents / Carers

The author Jason Beresford will be visiting our school and working with all our lovely children on Friday, 8th March. He will be inspiring the children to be illustrators and authors.

During his visit there will be 3 story books available to purchase :

The Fabulous Four Fish Fingers ...£5.40 (rrp£5.99)

After an encounter with a crisp-loving elf, best friends Gary, Bel, Ruby and Morris are given superpowers. In their new identities The Chimp, Nightingale, KangaRuby and Slug Boy must stop super-scary and super-hairy villains Jumper Jack Flash and The Pantearer from stealing all the sweets (and pants) in Tumchester. But first the Fabulous Four Fish Fingers need to learn to work as a team... (And remember not to step on Slug Boy.)

Frozen Fish Fingers...£6.30 (rrp £6.99)

When danger is near, best friends Gary, Ruby, Bel and Morris become superheroes. The Chimp can swing from the rooftops, KangaRuby has a magical pocket, Bel's voice can shatter glass and Slug Boy . . . well he's a bit sluggish. The gang are thrilled to win a school trip to Transylidovia. But amid all the skiing and snow-filled fun, something strange is afoot. It starts with a runaway toilet and rapidly snowballs into a wild and dangerous adventure. .

NEW BOOK 3 Fish Fingers vs Nuggets ...£6.30 (rrp £6.99)

In a galaxy far far away (then turn second left) there is a planet called Nrrmmff. And on that planet lives a mighty warrior. The Great Zultar is the strongest, best-looking and most fearsome Nrrmmffian there is, although on Earth people think he looks like a chicken nugget in very tight trousers. Zultar has a dastardly plan that puts all Earth's hamsters in danger but he hasn't counted on a fabulous gang of superheroes from Fish Street. Can the Chimp, Nightingale, KangaRuby and Slug Boy foil the evil alien's plan? It's Fish Fingers vs Nuggets and someone's getting fried!
