

St. Paulinus Catholic Primary School

Inspiring all to live, learn and love in the light of Jesus.

(cf John 8:12)

15th July, 2019

Dear Parent / Carer

As you may be aware our Headteacher, Mrs. d'Arcy will be leaving us at the end of this week. Her leadership and vision has helped so many young students to take their first steps into education, knowledge and their faith.

This left the Governing Body with the task of finding a replacement, an unenviable position, in light of the Head that we had. But after due process over the past few months, we have managed to find and employ a successor.

As from the start of the next school year, Miss S. Hayes will take up the position of Headteacher. The Governors on behalf of yourselves wish her a long and happy career at our school. Miss Hayes has been our Deputy Head for the last three years and is well acquainted with St. Paulinus, its history and ethos. She has led and directed numerous projects since her arrival, and will now take charge in moving the school into its future. We wish her the patience, fortitude and blessings that this position requires. But most of all, I hope that we can help and support her in her endeavours to give our children the best start on their pathway through education. And through her example, our faith will be imparted to our children, which is the foundation of our school and lives.

Yours sincerely

Mr. T. Regan
Chair of Governors
St. Paulinus Catholic Primary School

'An outstanding school, which is deeply committed to the Catholic mission... this school inspires all within this faith community to live life to the full.' Ofsted 2017
