Dear Parents/ carers/ guardians,

**RE: Blessed Peter Snow Catholic Multi-Academy Trust (BPSCMAT) –
A Diocesan Family of Schools**

I'd like to take a moment to thank all the parents and families that have either attended the parent's consultation evening for academy conversion or who have contacted the school office with their questions.

I believe that good communication is necessary when the school is going through change and so I have a couple more pieces of information for you regarding our conversion. You will have already received the following through either paper copy, via the APP/ website or by email:

- Initial letter to parents outlining the school's intent to join BPSCMAT.
- A copy of the frequently asked questions for parents to explain what it means.
- Invitation to the face to face consultation evening.

Today, I send out the following 2 items for your information:

- A copy of the PowerPoint shared with parents at the consultation evening.
- An updated list of the BPSCMAT trust board governors.

The PowerPoint contains the answers to all the questions we have received about the conversion so far and the updated list of the Trust board goes along side that.

If there are any of the above that you have not received you can either find them on the School App or website, or you can contact the school office and request a paper copy. I hope you have found the information useful and that any queries you have, have been answered. If you have any further questions regarding the academy, please do not hesitate to contact the school either by email (office@stpaulinus.org) or by written letter addressed to the Chair of Governors. **The closing date for all comments and questions is 12 noon on Monday 4th November 2019.**

Thank you for your continued support of our wonderful school,

The Headteacher and Governors of St Paulinus School

'An outstanding school, which is deeply committed to the Catholic mission... this school inspires all within this faith community to live life to the full.' Ofsted 2017
