

#StaySafeGetActive on your journey to

St Paulinus Catholic Primary School

21st September 2020

Dear Parent/Guardian,

The area outside our school is busier now more than ever due to the new social distancing rules.

Our aim as a school is to keep your children safe both at all times. This includes their journey to school. We are appealing to all parents to join us in creating a safe space outside our school for your children.

Please help us create a 5 minute protective Walking Bubble around our school so that everyone can travel safely and actively to school. It is your responsibility as a driver to keep pedestrians safe by driving and parking in a safe and consider manner.

By completing and returning the tear off slip below, you are committing to protecting the lives of all the children and families who attend our school. Your example will encourage other parents to also #StaySafeGetActive on their journey to school.

Yours faithfully,
