Focusing on Phonics with Helen

The first and fast way to learn to read is using Phonics. Explore what this means and how your child is introduced to phonics in early years and school. Find out how you can help them focus on their sounds whilst at home.

Thursday 05.11.20-26.11.20 11.00am - 11.40am
(Course code: FL2021005)

Attend all three sessions, with 1:1 support available, and complete your learner journal online to complete the course

As well as learning about the course content you will also be challenging your skills with Zoom and online worksheets. Friendly tutors will help guide you through the processes, no need to worry!

Our training is fun and informal, allowing you to share your own experiences and help each other.
