

# Kirklees Success Centre Presents:

**Free online courses for Kirklees Residents aged 19+**

In times of uncertainty, focus your mind and build your confidence with our online offer.

## **Your maths, their maths, our maths** with Caroline

This course will look at understanding the different methods that are taught to your child when they are doing their:  
Numberwork – times tables, long division, multiples, prime numbers and factors  
Fractions  
Percentages  
Geometry - shape and space  
On this course you will learn how to make maths learning fun and more accessible for both you and your child. This course is also suitable for those without children who need a boost in their maths skills, or want to see the methods that are now used in schools.

**Tuesdays 17.11.20 - 08.12.20**

**1pm – 2pm or 7pm – 8pm (Course code: FL2021008)**

Attend all four sessions, with 1:1 support available, and complete your learner journal online to complete the course.

As well as learning about the course content you will also be challenging your skills with Zoom and online worksheets. Friendly tutors will help guide you through the processes, no need to worry! Our training is fun and informal, allowing you to share your own experiences and help each other.
