ST PAULINUS 'WEEKLY NEWS'

Summer Term 2, Week 3

25th June 2021

Head's welcome

Our Virtue to live by for next week is:

Service

It has been another fantastic week in school this week. Many children have completed or are in the middle of completing their end of year assessments and Year 6 have even had their "SATs" week! I have been so impressed with all the learning muscles I have seen from the children. They have been using their "have a go", "concentration", "self-belief", "perseverance" and "keep improving" learning muscles this week. All the children should be very proud of what they have achieved in such a tricky year or two.

This week marks World Wellbeing week and I have just found out that it is also National Picnic week! I hope you all find some time this weekend (and that the weather is nice enough) to get outside, have a picnic and to take some time out to enjoy life. We all deserve a treat this weekend!

Next week, we will be holding St Paulinus STEAM week, more to follow on this, in next week's newsletter.

Have a wonderful couple of days and I will see you all on Monday.

Miss Hayes

Attendance Matters

13th Sunday of Ordinary Time

SHARING SUNDAY'S GOSPEL

In this Sunday's Gospel, we read about how a woman's faith was greatly rewarded. Jesus revealed the wonderful and extraordinary power he had received from his Father, by healing this woman in a remarkable way. Putting our faith in Jesus helps us to know God as our loving Father. This transforms how we see the world and can bring healing to us too; it can free us from anxiety and give us confidence and inner strength. Faith is one of life's greatest blessings. Pope Francis reminds us, "To live by faith means to put our lives in the hands of God, especially in our most difficult moments."

Enjoy a very special time together this evening, listening to your child's thoughts about this Sunday's Gospel and this Wednesday's word, which is **FAITH**.

"How beautiful it is to support each other in the wonderful adventure of faith!" Pope Francis

Year 2 - Science

In Year 2 this week we have been exploring natural and man-made materials. We discussed the properties of different objects and then we used them to do some printing!

We discussed the textures of the objects and why they made the print they did. It was very messy but very fun!

Church Mass Times

Saturday 26 June 18:30

St. Joseph's

Sunday 27 June 09:15 & 10:30 Our Lady & St. Paulinus

Please remember to book your place through the online booking for Mass via the church :

Year 1 - Science

In Year 1 our topic in Science is plants, last week we planted some cress seeds, watered them and over the weekend they have grown so much!

We cannot believe how fast they have grown and we were so excited to see them on Monday.

Congratulations to all our Key Stage 1 super stars!

EYU

As part of our topic 'Up, up and away' we have been learning all about different modes of air transport, last week we focused on aeroplanes. We had great fun making them and flying them on the field.

As part of our topic in R.E., we have learnt we are part of God's family, and so were very excited to be allowed out of school to walk to St. Paulinus Church.

We were able to look around and see all the different important things : we looked at the 2 altars, the statues, the memorial chapel and all the special candles.

We had a lovely, wonderful morning!

Friday Mass Timetable

Only Key Stage 2 classes (Years 3 - 6) are attending the morning mass at St Paulinus Church this half term, as we try to get back to some sort of normality.

The dates are as follows :

- Friday 2 July - Year 3
- Friday 9 July - Year 5
- Friday 16 July - Year 4
- Year 6 Leavers Mass - TBC

Mrs. Butterfield one of our much loved Lunchtime Supervisors, and cleaner, sadly leaves us on Friday 2 July. We wish her all the best in her retirement.
