

# St. Paulinus Catholic Primary School

Inspiring all to live, learn and love in the light of Jesus.

(cf John 8:12)

15<sup>th</sup> September, 2021

Dear Parents / Carers

## Year 1 - Autumn Term Curriculum Letter

Welcome back after the summer holidays! We hope that you have all enjoyed your summer break and are looking forward to the academic year ahead.

**Year 1 Staff :** Class Teachers: Miss H. Brierley (1B) and Miss E. Thompson (1T)  
Higher Level Teaching Assistant: Miss H. Ellis (1B) and Miss N. Julianne (1T)  
Support Assistant: Miss H. Ambler, Miss C. Bruines (1B)

This term we are looking forward to lots of new and exciting things.

*(See curriculum plan for full details)*

In **R.E.** this term we will be focusing on 'God's Great Plan' and 'Mary Mother of God'. Throughout this topic, we will explore the creation story, think about God's wonderful creations and investigate the events leading to Christmas. We will also be thinking about what makes us special and what ways we can share God's love and message with those around us.

In **Mathematics** - This term we will reinforce children's basic Mathematical skills by working on numbers within 20 and addition and subtraction up to 20. We will also be working on 2D and 3D shapes, naming them and discussing the properties of them. You can help your children by looking at numbers in the environment, practising simple addition and subtraction and discussing shapes all around us – finding examples and naming them.

In **English** - We will be reading and exploring the book 'Kipper's Toy Box'. This links nicely to our History topic of Toys. We will be writing sentences, using adjectives and a wide range of punctuation. Throughout reading we will be asking questions such as; which is your favourite character? Why? Where is the story set? What do you think will happen next? One fun way to encourage writing at home, is to ask your child to write their own version of the story. When doing this, please support your child in using their phonics skills to sound out words carefully and to use full stops and capital letters. Another way to encourage this is to write a letter to their favourite character within the story.

In **Science** - We will be learning about 'Everyday materials'. You can help your child's understanding by discussing different objects around the home and what they are made from and why they might be made from that material. We will also be looking at Seasonal change throughout the year so it would be lovely to discuss the seasonal changes that we can see around us as we move in to Autumn.

**Physical Education (P.E.)** - will take place in both classes on **Wednesdays** and **Thursdays**.

The St. Paulinus P.E. kit consists of: a white t-shirt with the school logo, blue (or black) shorts, and a pair of pumps. As an optional extra, a dark coloured pair of jogging trousers and a school PE hoodie or jumper can also be worn when we are outside / during the winter months. Children must come to school in their PE kits on their PE days and will stay in their PE kits throughout the day.

In addition, the **only** jewellery permitted in school is a pair of plain small stud earrings. If your child has pierced ears, then they need to remove their earrings on each morning of P.E.

**Please note that staff are not able to remove earrings, so this will result in your child not taking part in our P.E. lessons and an alternative task will be provided for the child, this is due to health and safety reasons.**

Long hair must be tied back.

Please ensure your child wears their PE kit on their PE days. If your child does not come to school in their P.E. kit, you may receive a text message to inform you that they need it for the following week. All P.E. kit and School uniform must be labelled clearly with your child's name. If it becomes lost, it can then be easily returned to the rightful owner.

**Homework and Reading**– Homework and an additional piece of phonics work will be sent home every **Friday** evening. Homework is to be returned by the following **Wednesday** in order for children to be awarded Dojo points.

Children will have a reading book which will be brought home on a daily basis and **MUST** be returned to school every day. We will change your child's book once a week. Please remember to write in your child's reading record to acknowledge that you have listened to your child read. It is also very important to check your child's understanding when reading. Finally, please remember to access Bug Club.

As we are unable to have a Welcome Evening this year, if you have any questions or concerns please contact your child's class teacher via email: [Year1@stpaulinus.org](mailto:Year1@stpaulinus.org) or by contacting the school office and arranging a telephone appointment.

### **The Way Forward - Paperless Communication**

As you know we try very hard to keep parents regularly informed about what's going on at our school, however sending paper letters home can be rather 'hit and miss' with letters often going astray along the way.

We aim to be 'Paperless', this is beneficial both to ourselves and to you because:

- Messages will get to you reliably
- We can send messages directly to mums and dads at the same time
- You will receive important or urgent messages more effectively
- We can tell you more about what's going on within our school
- Letters will also be available to read on the school's website and the School App

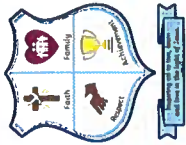

If you have not already provided us with an e-mail address, please do so. If you would like to continue receiving paper copies then please contact the office OR complete the 'e-mail request form' on the School App.

Any information you provide us with will be kept private and will not be passed on to any other organisation.

Thank you,

Miss H Brierley and Miss E Thompson.  
Year 1 Class Teachers

*'An outstanding school, which is deeply committed to the Catholic mission... this school inspires all within this faith community to live life to the full.'* Ofsted 2017

## Year 1 - Autumn Term

### Art - As artists we will :

- Use a range of painting techniques such as impasto and experiment with different paints.
- Study a famous artist and use our own artists rag.
- Mix paints to change their consistency and compare different brush strokes.

### R.E. - As theologians we will :

- Be able to recognise the story of : Creation, Noah and the Ark, The Annunciation, The Visitation and The Birth of Jesus.
- Begin to retell the religious Bible stories through art work, drama and writing.
- Recognise that the rainbow is a religious symbol.
- Recognise some signs and symbols of Advent and Christmas and use some religious words.
- Recognise some ways in which we can look after God's World.
- Recognise some ways in which we and Christians prepare for Christmas.
- Be able to talk about feelings of God's World and experiences of being loved.
- Be able to talk about Christmas and how it makes us feel.

### Science - As scientists we will :

- Identify different everyday materials.
- Identify and classify different objects into what they are made from.
- Describe the characteristics and properties of materials.
- Identify, name, draw and label parts of the human body and name the senses.

### Geography - As geographers we will :

- Locate the 7 continents & 5 oceans
- Locate the 4 countries of the United Kingdom
- Identifying where people go on holiday - warm places.
- Developing basic geographical language to refer to key physical and human features.
- Keep a weather chart - looking at rainfall and temperature.

### History - As historians we will:

- Recognise how toys have changed.
- Compare toys from the past and today's toys.
- Experience playing with and learning about toys from the past.

### English - As writers and communicators we will :

- Include full stops, capital letters and finger spaces within our writing
- Use phonics to help with spellings
- Use adjectives in our writing.
- Write letters and retell the story.
- To be able to ask and punctuate questions accurately.
- Begin to use cursive writing
- Use drama to explore stories in greater depth.

### Computing - We will :

- Learn to log on independently.
- Know the importance of keeping usernames and passwords safe.
- Know how to be safe online.
- Learn how to save and find our own work.
- Explore different types of communication.
- Group and sort information into a pictogram.
- Explore the different tools on Purple Mash.

### Music - As musicians we will :

- Study Hip Hop music and find and clap to the pulse.
- Name what musical instruments we can hear.

### Mathematics - As mathematicians we will :

#### AUTUMN 1:

- Count, read, write, identify, represent, double and half, and use comparative language of numbers within 10.
- Addition and subtraction within 10. Combination and partitioning. Represent and use number bonds; read, write, interpret, represent and solve.
- Shapes and patterns— Recognise common 2-D and 3-D shapes; describe position, direction and movement.

#### AUTUMN 2:

- Numbers within 20—Count, read, write, identify, represent, double and half, and use comparative language.
- Addition and subtraction within 20 - Represent and use number bonds; read, write, interpret and solve one-step problems.

### Design Technology - As designers we will :

- Be able to evaluate our/peers work stating what we like and dislike
- Use a variety of equipment
- Use a range of materials
- Design and make a mechanism that works

### RPSHE - we will :

- Be able to talk about our feelings and how are actions can change with our feelings.
- Find out what is the same and what is different about us.
- Learn how to stay healthy.
- Be aware of people that can help us
- Try out best to be kind and caring to others

### P.E. - As gymnasts we will :

- Be able to follow instructions
- Be aware of health and safety
- Understand why we need to warm up and cool down
- Safely use a variety of apparatus.
