

Manager for Community and funding Team

Are you a motivated, passionate and experienced manager with an impressive track record of delivering high-quality projects, to meet the needs of local communities. Do you want to make a positive impact to people's lives across West Yorkshire and to work with a respected and ambitious charity? Yes – then this could be your dream job.

Catholic Care has weathered the Covid storm and is more committed than ever to support local communities., this exciting new role has been created to build on our successes and to reach out to more people in need, to raise our profile to increase funding opportunities and secure new funding streams. No two days will be the same working with amazing staff and partners to increase the opportunities for families to tackle poverty and food insecurity, to give them the opportunity to develop their parenting skills and enjoy meeting other parents and carers, to support Young Carers to self-manage caring responsibilities, providing advice, guidance and activities to navigate their challenges, to championing groups that sponsor a refugee family and to support older people experiencing loneliness and isolation.

Our new Community and Funding Manager will share our passion and energy to make a real difference to people's lives. You will be inspired by real people and real challenges to raise awareness and create new ideas and identify new projects and at the same time, ensure we continue to deliver excellence across the brilliant work we already do.

This is an exciting time where we are keen to make a difference to project delivery. This is an inspirational opportunity to be part of the team and join us on our journey.

To be considered as the Community and Funding Manager, you will need:

To be a community manager with a proven track record in a related environment who can engage, inspire and collaborate with communities to deliver funding initiatives providing a high standard of collaboration to key individual supporters and funding groups to secure and increase levels of support.

You will be able to demonstrate energy and enthusiasm to community projects with a proven track record of growing sustainable projects through establishing, developing and nurturing funding opportunities with excellent networking and influencing skills. You will be someone who responds quickly and positively to change, you're happy to challenge the status quo and introduce new ideas, methods and processes where appropriate.
