ST PAULINUS 'WEEKLY NEWS'

Summer Term 2, Week 7

17th June 2022

Head's welcome

Our Virtue to live by for next week is:

Honesty

What a warm week it has been but it has been lovely to have the sunshine so that we can enjoy our playtimes on the field and in the secret garden. Today has obviously been an extremely hot day but as a special treat the children and staff have enjoyed an ice pop or ice cream...which was just what the doctor ordered!

A huge well done to our Year 1 children who have now completed their Phonics Screening Tests and Year 4 who have been busy completing the Multiplication Check! You have all worked so hard and completed the tests with such a mature attitude and confidence. You have made us all so proud!

Please take a minute to check the calendar dates of events that will be going on around school, the end of Summer term is always a busy one, so we hope the calendar will help you to navigate through the coming weeks.

We hope you have a lovely weekend and look forward to seeing you all on Monday!

Corpus Christi

This Sunday, the Church celebrates the great feast of Corpus Christi [two Latin words which mean 'the Body of Christ']. In some parts of the world there are processions through the streets. This is traditionally a time when children make their First Holy Communion. The gathering in this Sunday's Gospel wasn't just a huge, miraculous, open-air picnic. This was a sign of the Eucharist (Holy Communion) which Jesus would establish with his disciples at the Last Supper.

Jesus makes the same offer to nourish us today, especially when we receive Holy Communion—a sacred moment, when we receive a gift from heaven – we receive Jesus. This helps us become closer to Jesus and closer to each other – to keep growing in goodness and love. Enjoy exploring this Sunday's Gospel and this Wednesday's word, which is **NOURISH**.

"If faith is to be strong and healthy, it must be constantly nourished by the Word of God."

Pope Francis

Year 6 - Residential Visit

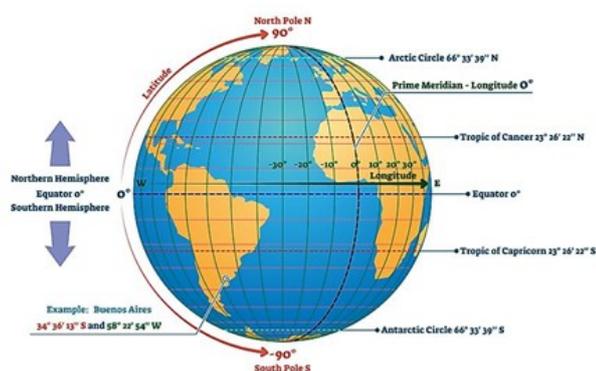

This week, Year 6 went on their residential visit to Little Deer Wood Activity Centre in Mirfield. Whilst there, the children took part in a variety of activities designed to build up their confidence, communication and general team skills such as canoeing, bouldering, low ropes, orienteering, archery and team challenges. They also had the opportunity to do some campfire cooking. In the evening, they enjoyed a BBQ and sang songs around the campfire before watching a movie. As always, a wonderful time was had by all with the children behaving impeccably and all the Little Deer Wood staff praising them on their lovely manners and superb attitudes - a credit to our school!

Little Deer Wood

Year 3

This week Year 3 has started the geography topic of The Mediterranean. They thoroughly enjoyed looking at places around that sea and learnt that it is surrounded by land unlike the other seas - called oceans. They look at how the Earth is split into two by the equator and that there is the Northern hemisphere above the equator and the Southern hemisphere below the equator. They identified countries in the Northern hemisphere

Year 4

This week we have been mathematical superstars and completed our Multiplication Check. We have worked very hard towards this and are all very proud of ourselves.

In R.E., we learnt about the liturgical year and researched and created fact files about the liturgical calendar.

In P.E., we began our Athletics unit. We focussed on jumping this week and created Hopscotch's on the playground to help us jump in different ways and in different directions.

Year 5

This week Year 5 visited the Jorvik Centre and Dig in York. It brought an exciting end to our Viking's History unit. Travelling on a theme park style ride, we moved through realistic street scenes and experienced how the Vikings used to live. We got to be archaeologists and dig around to find artefacts from the past and took part in a 'battle tactics workshop' which taught us how to fight as a Viking.

Sports Event : Rounders

On Tuesday evening, 10 girls from Years 4 & 5 attended a rounders competition at St. John Fishers. We played against 3 other teams and we had lots of fun in the lovely sunshine! Our skills developed throughout the event and by the end we were scoring rounders and catching the ball to get members of the other team out!

Book Fair : 27—30 June

An excellent opportunity for children to browse through new books and select their favourites at very competitive prices, immersing themselves in the world of books! With a choice of over 200 titles to choose from and a 3 for 2 offer, there is bound to be something for everyone!
